**RECEIVED**  
**MAR 22 1999**  
 FEDERAL COMMUNICATIONS COMMISSION  
 OFFICE OF THE SECRETARY

**PETITION FOR RULE MAKING**

Desert West Air Ranchers Corporation ("Petitioner"), permittee of Station KFMR(FM), Winslow, Arizona, by its counsel, hereby petitions the Commission, pursuant to Section 1.420 of the Commission's Rules, for amendment of the Commission's Table of FM Allotments (Section 73.202(b) of the Commission's Rules) to change the community of license for Channel 236C from Winslow, Arizona to Camp Verde, Arizona, and modify Petitioner's permit accordingly. Grant of this petition will provide the community of Camp Verde, Arizona with its first local aural service. Winslow currently has a local full-time aural service, Station KINO(AM). In support hereof, Petitioner states as follows:

1. Petitioner desires to change the community of license from Winslow to Camp Verde, Arizona under the guidelines set forth in *Amendment of the Commission's Rules Regarding Modification of FM and TV Authorizations to Specify a New Community of License*, 4 FCC Rcd 4870 (1989), *recons. granted in part*, 5 FCC Rcd 7094 (1990). First, the proposed use of Channel 236C at Camp Verde is mutually exclusive with the use of that channel at Winslow. See attached

No. of Copies rec'd 074  
 List A B C D E

MMB

Channel Study. Second, Camp Verde (population 6,243-1990 U.S. Census) is preferred under the Commission's allotment priorities because it would receive a first local service (Priority 3) while Winslow (population 8,190) will continue to have 1 full-time radio station -- KINO(AM) (Priority 4). See *Revision of FM Assignment Policies and Procedures*, 90 FCC 2d 88 (1982). Thus Winslow will not be deprived of its only local service.

2. Camp Verde fully satisfies the FCC definition of "community" for allotment purposes. The community of Camp Verde is not a part of any urbanized area. There is an elected mayor and city council for Camp Verde as well as a town manager. Camp Verde's law enforcement is provided by the marshal's and sheriff's departments. Camp Verde has its own fire department, post office, zip code and public library. It also has its own public school system. Camp Verde also has a semi-weekly and a weekly newspaper. See Exhibit A.

3. Camp Verde has its own Chamber of Commerce and is the home of more than 15 churches. Dozens of businesses are located in Camp Verde. See Exhibit A.

#### TECHNICAL ANALYSIS

4. Petitioner is not proposing to change the authorized transmitter site for the facility. Therefore, reallocation of Channel 236C to Camp Verde will not create any white or grey area or any service loss or gain. Exhibit B is a map depicting the predicted 70 dBu contour of the Channel 236C proposed operation. Camp Verde is well within the predicted city grade contour. The channel study confirms that the allotment of Channel 236C to Camp Verde using the coordinates specified in Petitioner's construction permit will fully comply with Commission rules and policies. Should Channel 236C be reallocated to Camp Verde, Petitioner will file an application to specify the new community of license.

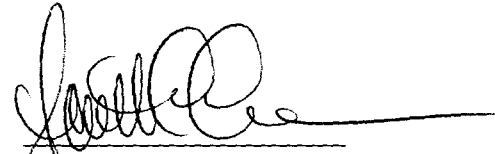

## CONCLUSION

Accordingly, Petitioner respectfully requests that the Commission grant the instant Petition and amend the Table of FM Allotments (Section 73.202 (b) of the Commission's Rules) to delete Channel 236C at Winslow, Arizona and allot Channel 236C to Camp Verde, Arizona and amend Petitioner's construction permit to reflect Camp Verde as the proposed community of license.

Respectfully submitted,

DESERT WEST AIR RANCHERS CORPORATION

## **EXHIBIT A**

## Community Profile

# Camp Verde

**Camp Verde** is in the Verde River Valley of central Arizona, 86 miles north of Phoenix. The community, oldest in the Verde Valley, was established in 1865 to protect settlers from Indian raids. The town incorporated in 1986. Camp Verde, on the banks of the Verde River at an elevation of 3,133 feet, is near the geographic center of the state of Arizona.

### PRINCIPAL ECONOMIC ACTIVITIES

The major employment in the Camp Verde area is provided by construction, ranching, light-industry, trade and service, a casino, and the government.

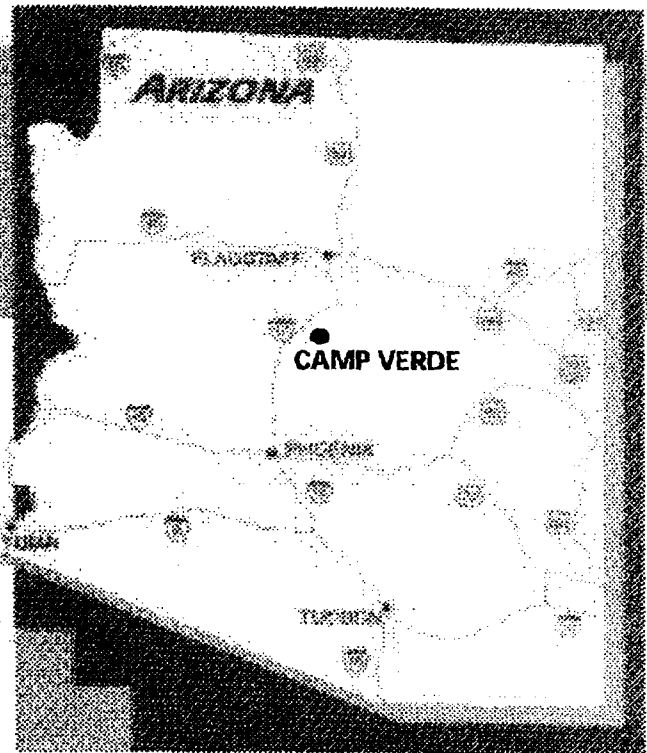

Attractions such as the Fort Verde State Park, Montezuma Castle National Monument and Montezuma Well, as well as excellent hunting, fishing and recreational opportunities generate retail and service trade in the community. Camp Verde is also attracting increasing numbers of retirees who enjoy its mild, dry, four-season climate.

### SCENIC ATTRACTIONS

The Fort Verde State Park in Camp Verde contains military artifacts, Indian relics and articles used by the settlers and Indians. Four of the original adobe fort buildings still stand and are open to the public. The General Crook Trail, beginning at the Park and winding through the Mogollon Rim to Fort Apache, is a scenic drive of unsurpassed beauty along which can be seen the old mile markers on rocks and trees.

The first church built in the Verde Valley, Clear Creek Church, has been restored and adjoins the Clear Creek Cemetery where many pioneers are buried.

Montezuma Castle National Monument (five miles north of Camp Verde) is a two-unit national monument. The main unit contains some of the best preserved cliff dwellings in the United States. The

Montezuma Well unit, 11 miles northeast, features a large natural limestone sink, whose waters were used for a network of prehistoric irrigation canals. The Castle is also headquarters for nearby Tuzigoot National Monument.

The Verde Valley is a sport paradise with fishing in the Verde River and trout streams, and hunting for deer, elk, antelope, bear, quail, dove, duck, geese, wild turkey and rabbit. Beasley Flats, operated by the U.S. Forest Service, is now a major starting point for trips on the Verde River.

The second weekend of October, Camp Verde celebrates Fort Verde Days with a parade, horse events, barbecue, cavalry drills and art show. Camp Verde residents also enjoy the cultural Verde Valley Fair in May.

The Cliff Castle Casino operated by the Yavapai-Apache Tribe also attracts numerous visitors.
